

Prescriptions

The RX page shows prescriptions for the patient. Use the Add button to post a new prescription to the patient or the Remove button to delete a prescription.

The screenshot shows the 'Prescriptions - Joe Sample' window in the Datacon Dental software. The window has a menu bar with the following items: Overview, Medical History, Oral Exam, Perio Exam, Treatment, Planning, Referral, **RX**, Lab, and Chart Notes. The 'RX' tab is selected, showing a dental chart with a table of prescriptions and a patient photo.
